LEMON GROVE REVIEW

California's Fastest Growing Weekly . . . In The World's Fastest Growing Community!

Vol. 10, No. 50 | LEMON GROVE, CALIFORNIA | THURSDAY, JULY 31, 1958 | 10¢ PER COPY

THIS WEEK . . .
You'll find plenty of incentive to buy at home when you read area merchants' advertisements in this issue.
. . . INSIDE

The Dimmer View

BY MAX GOODWIN

The Lemon Grove postoffice was in a fizz last week, because, what with all the other problems relevant to the new higher rates, a patron ordered 50 post cards by phone . . . and demanded delivery. Everybody knows the post office doesn't deliver postal merchandise was the explanation. And the request was refused.

We heard about it the same day and for two or three days the explanation didn't fit into a comfortable spot in our mind. Then, socko! We came up with the answer. We suggested that the postoffice request the patron to mail in the $1 for the cards plus 10 cents postage. Then they could mail the patron's order to him!

Apparently, no one cared to think up a solution, as simple as that.

They need us, more than they think, to straighten out several problems.

There's solace for some of us aging fellows. The Van Nuys (Calif.) NEWS opines there is one thing about baldness,it's neat.

Considerable resentment has developed among property owners on Broadway since the county road department announced last week that an eighteen foot left-turn island would be installed down the center of the road. It will run from College to Sweetwater and be the centerpart of an improvement 100 feet wide. Only 48 feet of the improvement will be used for traffic lanes, however. Additionally, there will be traffic control cruise installed the entire length of the improvement which will control access to and from present or future parking areas between the curb and property line. An opening in the curb at each end of each block will be the only way of getting to private parking.

A section description (starting with the center island) looks like this: Each side would have two 12 foot lanes and an eight foot parallel parking shoulder. Then there would be the traffic control curb. The county proposes to use the nine remaining feet for a sidewalk. University avenue, the area due north of Lemon Grove, says the road department, is the type of improvement they have in mind.

They claim this type of thoroughfare gets motorists from here to there quicker, safer.

With this installation dies the hope of many of us who have envisioned a 150 foot wide, sweeping boulevard without center islands and with adequate parking alongside. The county says they'll buy the alternate if the property owners will share the cost. The cost is estimated at less than $40 a front foot payable over a ten year period. This would be done by an improve-

THIS WAY—Jim Gilbert, son of Mr .and Mrs. DeWitt Gilbert of 10311 Toledo, Spring Valley, here shows the form which brought him into the junior chamber of commerce tournament at Merced under sponsorship of the Lemon Grove jaycees. Jim here is showing Ron Grabanski, junior chamber committeeman, his free swinging form prior to the tournament.

Rezoning Program Gets County Okay

SAN DIEGO (CNS)—With three modifications as a result of protests by property owners, the County Planning Commission last Friday approved the rezoning plan for Lemon Grove's business district. Supervisors will take final action at their meeting Tuesday.

Eleven protests were filed before Supervisors at their hearing July 8, and the Board ordered the Planning Commission to consider the requests submitted. The three approved were for the northeast corner of North avenue and Broadway, where owners got C-2 zoning instead of C and R-2 A first recommended by planners; for a half block between New Jersey and Buena Vista, where R-3 was finally given instead of R-2 A, and at Pacific avenue west of Buena Vista, where C zoning was given to a 24-foot strip, although the request had been for 54 feet of C zoning.

Among those turned down by the Planning Commission was Dr. Gilbert Chassy, whose property will be rezoned from C-1 to C Chassy appeared before the Planning Commission and his wife appeared at the Supervisors' hearing, asking that the property be left as C-1 or changed to C-2. In sticking by its C zone recommendation, the commission decided this "exactly fits a doctor's office."

If approved by Supervisors, an ordinance will be drawn up to make the new zoning effective. The zone pattern then will become a law 30 days after the ordinance is passed. Business operating contrary to the new zoning will be permitted to continue as "non-conforming uses."

Road Cut Given SV Street

SAN DIEGO (CNS) — Olive drive, in Spring Valley, should be only 50 feet wide from Central avenue to Helix street, County Supervisors decided Tuesday.

They overrode a planning commission recommendation that the street be 75 feet wide where it is in unzoned Spring Valley and 50 feet where it is in the Lemon Grove zoning district.

"Why should the width change when the street crosses an imaginary line?" asked Supervisor David W. Bird.

Property owners petitioned for a reduction in street width from 75 feet to 60 feet, on the basis that many lots were only 110 feet deep and a 75-foot street left little land to be used.

Supervisors returned the question to the planning commission, with the recommendation that a 50-foot width be considered for the whole street. The law requires the commission be given another chance to study the matter before Supervisors can override the planners' suggestion.

(Review Photo 2009)

NO MORE—Being torn down this week are the once decorative pillars that graced the entrance to Casa de Oro, across from the new Santa Sophia church. Local businessmen said the signs created a traffic hazard and CdO chamber of commerce officials gained permission to have the signs removed. Cost of the removal project is a chamber expense.

Incorporation Plan Gets Hearing Date

SAN DIEGO (CNS)—Supervisors Tuesday set the time for a public hearing on Lemon Grove's incorporation plans at 2 p.m. on Aug. 26, after approving a short cut to enable backers of the plan to form a city to hold an election as soon as possible.

In their morning session Tuesday, Supervisors got the report of the assessor's office that petitions asking for incorporation represented over 34 percent of the property owners, with only 25 percent required. They were told that is was estimated the cost of the election would be $650.

Deputy County Counsel Bertram McLees, Jr., said the board then had to give the petitioners time to deposit the $650, after which a time should be set for the hearing.

Richard Kahanek, who is working for the incorporation group, said that they were not prepared to deposit the $650 at that time. However, he returned in the afternoon, with a check for the election costs, and Supervisors directed that advertising for the hearing be placed to appear on Aug. 7, even though the board cannot formally set the hearing date until its meeting next week.

Kahanek said they seek an election as soon as possible. McLees told Supervisors the only limit on how soon the election can be called comes from legal requirements on advertising. By following the same procedure of anticipating of what is going to happen and preparing the advertising ahead of time, McLees indicated an election could be held in early October.

Kahanek told Supervisors backers of incorporation plans do not wish to have their election coincide with the general election on Nov. 4. He said they would try hard to have the question brought before voters in October.

STRAYING CATS GET TREATMENT

San Diego (CNS) — Stray cats had better beware, for supervisors Tuesday approved installation of a lethal chamber at the county animal shelter for destroying unwanted felines.

The only animals to be done away with will be those brought to the shelter for that purpose. A charge of 50 cents will be made.

Jean L. Vincens, director of public works, estimated that more than 200 requests per month were made for destruction of cats. But he said that no more than this would be done to handle problems with cats.

"I beg of you," he said to supervisors, "don't get into the cat business."

Men Hear Refugee On Poland

A Lemon Grove woman, Mrs. Thaddeus Sledzinski whose family is in direct line of Polish royalty, was speaker Friday at the Lemon Grove Men's club. Mrs. Sledzinski related her experiences as a Russian prisoner sent to Siberia to work in the coal mines in the Ural mountains.

She also told of a $26 million treasure trove awaiting the Sledzinski family should they be able to give unarguable proof they are direct decendents . . . then dare to go to Russia to claim it

She said the Princess Filomena of Poland lies buried in Lemon Grove in a plot sanctioned as a cemetery by state and federal governments. The plot is at College avenue and Broadway where an American and a Polish flag fly daily.

Kenneth Rister presided over the club in the absence of vacationing Bill Parker.

Program this week provided by Dr. Neill Barton, a Lemon Grove chiropractor, will demonstrate the used of therapeutic hypnosis. The meeting will be held at Michael's Friday at noon. Any man who wishes may attend.

Restaurant Fire Averted

A possible fire was averted in Lemon Grove last week when a restaurateur, Sam Pernicano discovered a gas leak in the floor of the back section of his restaurant at 7810 Broadway.

Pernicano said that a former tenant of the building in which he now operates a pizzeria, had sealed off a gas line with a cork at floor level and painted the concrete floor over. Gas fumes escaped from a crack in the paint but the source of the gas could not be located until some of the paint was scraped off. If the discovery had not been made by Pernicano an explosion might have occurred during the night, he said. An inspector for the utility company said that pizza ovens which remain lit all night, might set off the gas had Pernicano not discovered the leak.

For several hours it appeared that all gas in the northeast quadrant of the Lemon Grove business section might be turned off.

Brush Fire Burns Big Acreage Here

A brush fire which raged out of control all day Tuesday burned almost 900 acres of brush covered countryside 3½ miles east of Lemon Grove. The fire was eating its way in an easterly direction Wednesday from a point 1½ miles east of Sweetwater bridge and highway 94 before fire fighters appeared to have slowed it down.

Approximately 20 trucks and 200 workers, some from nearby honor camps, had worked with a crew operating bulldozers to cut fire breaks around the fire. State Division of Forestry officials under Ranger James G. Fenlon said the fire probably would be under control by Wednesday night "if nothing unforseen occurs." "There is plenty of hot stuff in there," said a department dispatcher.

No dwelling had been lost up to press time Wednesday and officials said they hoped the fire could be stopped short of residential areas on both sides of the burning area.

Officials said the fire apparently had been started by the nine-year-old son of Mr. and Mrs. W. A. Burrett who had been playing with matches near their home beyond Jamacha Junction. A request for state official investigation has been made to Riverside.

Rangers said it will be several days before the area can be entered even if the fire is brought under control Wednesday night. Meanwhile a patrol will be maintained until all possible danger is past, district spokesmen said.

Jaycee Meet Set Tuesday

Lemon Grove's junior chamber of commerce will meet Tuesday at Michael's restaurant in Lemon Grove at 7 p.m.

Dr. Darrell Fields, district ten vice president, will be a guest along with Scott Biddle, national director.

Orientation, installation of new members and a "pep" talk on jaycees are on the programs. All Lemon Grove area young men are invited to attend.

Toastmasters Set Meetings

Mt. Helix Toastmasters 126 will hold a series of eight speech craft discussions beginning August 20 at Rosehedge Manor, La Mesa 6:30 to 7:30 p.m.

These discussions are designed to help improve speech preparation, delivery, confidence, evaluation and chairmanship.

Mt. Helix invites all men interested to attend. Call John Dower HO 6-6781 or Tris Wooster HO 9-5785 or George Nakamura HO 9-3618.

Suit Hits Helix On 'Dust'

A suit for $13,456 was filed by a Lemon Grove woman who charges her singing voice was ruined by dust of a sandblasting operation.

The woman, Mrs. Ruth E. Neilsen of 3850 Costabella street, was joined by her husband, Roy E., a real estate man of the same address. Suit was filed against the Helix Irrigation district in Superior court according to Kenneth A. Barwick, the couple's attorney.

The action stemmed from sandblasting of a four million gallon tank erected by the district adjacent to the Neilsen's property. Nielsen's allege the work was carried on night and day between June 10 and August 1, 1957 and caused "excessive quantities of eye and lung-irritating dust to blow" across their property. The sandblasting, according to district spokesmen, was preparatory to painting the tank.

The action asks $3,000 for damage to Mrs. Nielsen's voice and $ 900 for injuries allegedly caused to her lungs and eyes.

Nielsen asks $2,165 for damages allegedly caused to the couple's home, grounds, trees and furnishings, $3000 for lost business, and $300 for rental lost because a tenant moved.

Mrs. Neilsen said she once sang in glee clubs and a church choir and for her own pleasure but had been unable to sing because of the dust's irritation to her throat.

CdO CofC Sets Plan For Project

A formal letter of authorization for the Casa de Oro chamber of commerce to proceed with the demolition of the pillars on Campo road was presented at the board of directors meeting July 27. Ray Grable is owner of the lots on which the pillars were erected nearly thirty years ago, to designate Avocado Estates, which was then expected to be a huge exclusive sub-division by out-of-town developers.

The pillars are now in need of repairs and business owners on Campo road have asked that they be removed altogether to provide a more open entrance to the business district.

The next general meeting was set for August 7, and will again be a dinner meeting at the Langhorst cafe.

(Review Photo 2006)

EXCHANGE — The new Lemon Grove Exchange club—formerly the Eastside Exchange club—recently conducted installation ceremonies at Michael's restaurant in Lemon Grove prior to a membership drive rally. Shown here from left, as the gavel changed hands are William Officer, treasurer, Homer L. Sams, outgoing president, Austin W. Potter, vice president, Clifton P. Layne, new president, Carroll E. Dittman, secretary, and Buck J. Vaughn, membership chairman.

Postal Hike Noted Here

Local residents were reminded this week on Friday postal rates for first class and air mail will raise a penny each. The new rate for first class is four cents— going from three— and the new rate for air mail is seven from six cents.

While a number of other changes will also go into effect this week, Lemon Grove's Postmaster "Frenchy" Faucher reports most of these only affect about five per cent of the postal customers. Biggest change, he said, is in the first and air mail classes for most people.

Fire Blamed On Storage

A garage gutted last week at 3849 Harris street when spontaneous combustion developed in an oil treated tent stored high in the structure. At the same time a grass fire broke out on the opposite side of town to plague the department.

The off-shift men, under Engineer Noah Tubbs, responded to the grass fire at 7355 Beryl street while Captain Alexander covered the garage fire.

Local Man Takes Life

Paul S. Lauer, 49, 7460 Madison, Lemon Grove ,took his life in rural Escondido Friday by running a garden hose from the exhaust pipe of his auto into the car, according to the coroner's office. Death was due to carbon monoxide poisoning, they reported.

Search was instituted for Lauer when he failed to show up at his sign shop Friday. Contents of two notes found beside the body were not revealed.

He was secretary-treasurer of the Lemon Grove Lions club and had recently returned from an international meeting back east. Friends said he did not appear to be despondent. He was also a member of the Sign Painters guild and had been a union member for 25 years. He was a veteran of world war II.

He is survived by his wife, Dorothy, and their son Paul, Jr., 9 and also a brother and sister who live in Illinois.

Services were conducted Wednesday morning at Conrad mortuary followed by interment at Ft. Rosecrans.

☆ "Young drivers properly trained now will reduce future traffic accidents, but population increases require a rapid expansion of driver training facilities," says Judson B. Branch, president of Allstate Insurance Companies. Fourteen states already are offering financial aid to driver education programs.

Waves Celebrate Birthday With Banquet In District

Women in the US Navy will observe the 16th anniversary of their corps on Thursday this week with banquets and local celebrations throughout the nation, 11th naval district headquarters announced.

Women served with the Navy for the first time during World War II when they were enlisted in the Naval Reserve as "Yeoman (F)." These enlisted women were known as "Yeomanettes" and their duties were primarily stenographic.

Again in World War II the need for women in the service to supplement the country's manpower was recognized and on July 30, 1942, the President signed legislation authorizing the enlistment and commissioning of women in the United States Naval Reserve. These "Women Accepted for Volunteer Emergency Service" (WAVES) were permitted to serve in shore billets within the continental limits of the United States only. However, legislation was passed two years later to permit WAVES to serve overseas in Hawaii and Alaska.

The original numerical strength of the women in the Navy was set at 10,000 enlisted and 1,000 officers. This was greatly increased as the war progressed and in July 1945 the WAVES reached their numberical peak of 86,000 officers and enlisted women on active duty.

Bake Sale To Aid Club Sponsorship

The International club of Mt. Miguel high school is preparing for the arrival of its first foreign exchange student to Mount Miguel. The club is making plans for the reception and welcome of Suzanna Ochi-Orsi, from Argentina this August 4.

The members of the club, sponsored by R. Villarreal, Spanish teacher at Mount Miguel, will be the official guide for Suzanna during the year. Suzanna will be staying at the home of Mary Barrett. Mary will be a sophomore at Mount Miguel next year.

Throughout the year the International club will be responsible for many of Suzanna's activities and needs. To further their funds in order that they may carry out their plans, the club will hold a bake sale this week on Friday. They will be located all day in the square between the Piggly Wiggly food store and Marsi's clothing store in Lemon Grove. Cakes, cookies and cupcakes will be on sale.

WHEELS—With a "Let 'er go!" the valves of the La Presa water district were turned last week to start Colorado river water pumping into the million gallon tank which will supply homes in the La Presa area of Spring Valley. On the wheel at the left is Walter Bollenbacher of Bollenbacher and Kelton, Allied Gardens builders and on the right wheel is Fred Hansen, president of the L.P.W.D. Others in the picture are, front row from left: Les Clayton of Boyle engineers; Ray Swaner of Bollenbacher and Kelton; James Milligan of San Diego, local merchant; Donald Short of Boyle engineer; and H. Bridgeman, La Presa market owner. Back row are: Jerry Fackler, La Presa realtor; Bill Carroll, contractor, San Diego; Anthony Spinazzola, La Presa civic leader; C. J. Peterson, Boyle engineers; Joe Eaton Sr., vice-president L.P.W.D. Cost of the pumping plant, according to Peterson of Boyle engineers, was $58,000 and the valves $325 each. Future plans call for four more water tanks as the demands come in. One tank with a million gallon capacity may be started early next year.

(Review Photo 1096)

Indian Guides Tour Station

The Ute tribe of the Cheyenne Nation "Y" Indian Guides visited the Spring Valley fire station the evening of July 23. The following big and little braves made the visit: Harry and Dell Fairchild; Benny and Benjie Small; Kenny and Stevie Tresser; and Owen and Chuck Downing.

Captain Lawton conducted the tour and explained the various types of equipment which include the pumper truck with its many lockers and special tools and life saving equipment, the workings of the alarm system, and the ambulance service. One truck was out burning off a vacant lot and Captain Lawton called it on the two-way radio to show how it operated. The climax of the tour came when the little braves got to slide down the pole from the topside of the fire station. All the braves, big and little, enjoyed the informative visit and now have a better idea of the work of the men who are always ready to help us in an emergency.

The Utes once again wish to thank Captain Lawton for a very fine tour.

The group plans a campout at Lake Otay on August 11.

☆ Adult jaywalkers are teaching children a tragic habit, says the Allstate Safety Crusade. In 1957, 1,000 youngsters between the ages of 5 and 14 were killed and 45,000 more were injured in pedestrian traffic accidents.

Scout News

CUBS

Another success was written across the summer program of Pack 47 with a campout July 19 and 20, at Action ranch. Main activities were swimming, a wiener roast and campfire fellowship.

Even if you can't sleep on a campout, it's a pleasure to throw your sleeping bag under the large oak trees at Action ranch and count the stars. Saturday the coyotes were most hospitable and starting at midnight they presented their rendition of "Way Out There." If some families are bemoaning having missed this outing, Pack 47 plans a return trip to Action ranch in September.

Many happy memories are built around a Scout campfire. Thanks to Frank Hale for his song leadership. He was most gracious to share his talent since his sons are beyond Cub Scout age. Two beautiful selections were presented by Tommy Dunner on the accordian.

A "Cub Scout" welcome to Billy Fritz who became a Bobcat in a candlelight ceremony. Insignias were presented to Cubs who sold one or more books of tickets to the Scout Fair. Cubs selling five or more books were awarded covered wagon kits.

Cubmaster, Jerry Massee, announced that the next Pack meeting will be held at El Monte park, August 10, from 10 a.m. to 5 p.m. A potluck dinner will be served at 1:30. Come early for a ball game prior to dinner.

Awards were presented to the following boys: Richard McGuffin, 1 year pin; Jeff Lindeneau, silver arrow; Bernard Roth, silver arrow, 1 year pin; James DeVries, Weblos Badge; Jonathan Zegler, Bear Badge; and James Law, silver arrow.

Thirty-five Boy Scouts of Troop 311 had a week campout recently at Barton Flats in the San Bernardino mountains.

They were accompanied by the following members of the Hobo adult patrol: Scout Master, R. T. Bullock; Assistant Scout Master, T. Cannon; Committeemen: L. Trost, D. Compton, G. German, M. McNich, W. J. Schart, A. W. Leach, R. E. Grey, E. J. Nichols, and W. Lovewell.

Hiking, swimming, campfire cooking, and nature study were features of the campout. There were two high spots during the week. Scout Master Ray Bullock lead Scouts Eddie Leth, Jim Trost, Bill Rogallo, Harvey Boysen and Mike Warren of the Skunk patrol on a climb to the top of San Gorgonio peak. The rest of the scouts climbed up the side of the mountain to Mushy Meadows ,under the leadership of the members of the Hobo patrol.

Summer School Ends In La Mesa-SV Area

Summer school in the La Mesa-Spring Valley school district closed July 25 Principal Jim Halcomb said this week.

The students were housed in ten elementary schools with from two to five classrooms per building.

The remedial reading classes at the La Mesa elementary school saw 120 enrolled. These students were from all elementary schools in the district. The junior high enrichment program, held at LM junior high school, totaled 36 students. The junior high remedial math and English program at the LM junior high school, had 64 students.

The grand total of students in the summer program was 1,364, with a staff of 48 teachers. There were 1,079 students enrolled last year.

It is interesting to note ten graduates from the San Diego State college were in an intern program, along with the summer school activities. These ten participated in counselling work at the La Mesa elementary and junior high schools.

Attendance in Spring Valley: Bancroft 94; Casa de Oro 89; and Spring Valley 95. These three schools held a science program, which was not remedial; on space travel, geography, rockets, and plants and how they grow.

Principal Halcomb said that in the summer program there is an attempt to not duplicate the winter program, but to have all new learning.

The summer program is totally supported by State funds and based on attendance. Any time a child is absent, the State support is reduced, Halcomb said.

Youth Dies Of Ailment

Johnny, the 11 year old son of Mr. and Mrs. James L. Heck, 5284 Streamview Drive, Vista La Mesa, died at his home Saturday. He was a CP victim.

In addition to his parents, he is survived by an adult brother and sister.

Services were held Tuesday at Calvary Southern Baptist church under the direction of Conrad Mortuary. Interment at Mt. Hope followed.

Golden PTA Sets Meet

The budget and finance committee of the Golden avenue PTA will meet August 5 at 7:30 p.m. at the home of Mrs. M. T. Palermo, 1380 Lincoln place.

The group will plan the financial expenditures of the coming year. New officers attending will include Evelyn Lauritzen, Jay May, Kenneth Matrinowsky, Mrs. Sherman Menard, Mrs. William Wardwell, Mrs. A. J. Long, Mrs. J. C. Gomes ,and Mrs. Palermo.

NEW GROUP—The Lemon Grove Chapter Order of DeMolay was instituted and installed its first corps of officers July 19 at the Masonic Temple, 350 Cedar Street, San Diego. Homer E. Rathbun, active member of the International Supreme Council and executive officer of the jurisdiction of Southern California was present from Los Angeles and instituted the chapter. Fred S. Lipscomb, son of Mr. and Mrs. Willis L. Lipscomb of 2208 Willow Street, San Diego was installed as master councilor, by installing officer Roy Millender Jr., master councilor of the California State DeMolay Association. Shown here are, row, Richard Burns, marshall; Thomas Devin, senior steward; Russell Vuich, senior deacon, Orville Hay, senior councilor; Fred Lipscomb, master councilor; William Stevens, junior councilor; Lee Wooten, junior deacon; Richard Payne, junior steward; Rollie Wisbrock, chaplain. Center Row, Eric Fulton, standard bearer; George Crook Jr., scribe; Jack Miller, orator; Wayne Miller, almoner; Raymond Bierl, sentinel and Ronald Graves, treasurer. Front row: Robert Jensen, Curtis Cooper, George Radici, James McDaniel, William Hobbs, Larry Smith and John White, preceptors.

Helix PTA Names Slate For Term

The executive board of Mt Helix Council PTA met at the home of Mrs. C. S. Williams, 3822 Rogers road, Spring Valley, at 9:30 a.m. June 26, 1958 to formulate plans for the coming year. Ninth District President Mrs. Byron Neizley instructed the council officers and chairman and Mt. Helix Council President Mrs. Robert Higgins instructed the council unit presidents. The following chairmen were ratified for the new year:

Mmes. J. C. Gomes, budget and finance; H. K. Thurslund, character and spiritual; George Birch, CAC representative; W. M. Howerton, CUC representative; Paul Nystrom, health chairman; Fred Potrer, hospitality; Robert Wilken, legislation; Ray Bullock, magazines and emblems; Jack Jones, membership; Woodrow Ratner, parents education; J. H. Jensen, inside publicity; Gerald Henderson, room representative; Fred Ralston, safety; Peter Zoechino, special projects; Mamoru Masaki, ways and means, Robert Boulio, telephone.

A fall workshop will be conducted by the Council on September 17, 1958 from 9:00 to 12:00 followed by meetings in November, January, March and May with programs based on the welfare of PTA. Directories will be published in the near future and regular monthly council newsettes will be instituted next year. The legislation field will be the most active with bond elections, national election, and school board elections.

Avocado Work For Summer Given In State Ag Report

Avocado trees grafted within the last two or three years need careful attention if they are to develop into strong and well-shaped trees, comments University of California Farm Advisor Don Gustafson. Grafts grow vigorously on large trees and require support and training.

Grafts should be tied to stakes placed in the ground beside the tree trunk or nailed to the trunk. The stake should be sturdy and tall enough to permit full development of the graft. Re-tie the graft every two to three weeks during its growth to prevent girdling by the string.

Selecting the one graft which will be kept to make the new tree is important. Pick the most vigorous growing one and cut off the remaining grafts. After the final graft has been selected, the stump should be cut on the diagonal, from the graft downward across the stump. This prevents moisture from collecting and helps healing. Paint stump with a black asphaltum material. If the graft grows to tall, cut back the top to encourage side branching. This will result in a stronger framework. Retain as much foliage on the grafts as possible during the early development years.

To prevent wood rotting in the tree stump, check the tree seal periodically. If it is checking, cracking and drying out, re-treat with new material.

AVOCADOS IN SUMMER

The Hass variety of avocado is rolling to town in abundance, reports the University of California consumer marketing information. It is one of the most popular summer avocados, and you'll recognize it by its slightly pebbled, black skin. It is egg-shaped, rather than pear-shaped. It is uniform and medium in size and averages one half pound, with a small seed. It is thin skinned for its type and has excellent flavor and texture. Its season is from May to November with peak in July and August.

When the Hass avocado is quite firm, recently picked, it may be slightly mottled with green. Then it will take about a week or ten days to be at its best eating quality. When it becomes all black it is fully ripe. Check it to give by the gentle pressure of your hands.

FRIED AVOCADOS

Slice peeled avocados into section about ½ inch thick. Dip in lemon juice, in flour, into beaten egg, and finally dip in fine bread or cracker crumbs. Fry in butter or salad oil until lightly browned. Drain on paper. Serve immediately.

God's Minute

REV. BAKKEN

Poor is he who cannot spend a minute in the shadow of his Lord

MANY BOOKS

Surely, the world has never before seen so many books offering more modern answers to the problems of man than our day. Some say you must think right. Some say you must leave your church and follow some human leader. Jesus Christ came to compete the revelation of God and no person can truly have peace of mind or heart until he is trusting in the message of God's Word and has been cleansed in the blood of God's Son.

Health Fallacies Exposed In Medical Society Report

The gullibility of the public in matters of superstitions, particularly about health, is proved by the "old wives tales" that are still handed down by tradition, even though the present generation is better educated and better informed.

The advent of a new baby into a family is the basis for many such superstitions. The appearance of a "birthmark" on the child is erroneously charged to the parents, rather than a faulty development. There are those who still attribute bowlegs to the fact that the child walked too soon, instead of realizing that medical science has proved that it is caused by rickets and other conditions.

One popular fallacy is that grinding of the teeth while sleeping indicates the presence of worms. Actually this is a nervous habit associated with restlessness.

The sure and quick stopping of nosebleeds has produced many popular methods and procedures which are false. For example, some believe that pressing the upper lip, or placing ice on the neck will produce the desired effect. Most nosebleeds will stop by themselves, but the presence of one indicates that something is wrong and should be investigated by a physician.

Many people believe that sleeping on the left side is damaging to the heart. Since the ribs, muscles and fibrous tissues of the chest protect the heart, it is all right to sleep in any position you find pleasant.

And then there are the people who believe that certain machines and gadgets with various vibration and currents will cure anything from ingrown toenails to cancer and rheumatism. The flickering lights in varying colors are the yardstick for the degree of improvement. This misconception is a tragic one for the victims, for it lets disease develop into advanced stages and benefits no one but the promoter of the scheme.

These are a few of the silly superstitions about health. Unfortunately there are many more, such as seeds causing appendicitis, the wearing of the metal rings to cure goiter and rheumatism and the following of certain food fads to live a long life, free of disease.

Navy Reserve Program Offers Plan

A limited number of pay billets are opening in the new San Diego Selected Naval reserve, according to Commander Rollin Ormiston, USNR-R, commanding officer of the unit.

"Final selections of officers for the unit has been made and this group is now screening applications for the Petty Officers ratings," Ormiston said last week. "We are particularly anxious to have applications from the Navy veterans who hold a petty officer rating of electrician, gunner, boilerman (BT), machinist or quartermaster," he continued.

Commander Ormiston pointed out that with people watching their dollars closely these days that this is a good opportunity for Navy veterans to pick up extra money. He said that men who are chosen for Selected Naval Reserve will receive four full days pay while drilling only two days each month. He said it is one of the opportunities where a man can get double time these days.

"The Selected Naval Reserve will cruise one week-end each month on board a destroyer escort out of San Diego area," Ormiston said. "The drills will be an exciting weekend at sea, with the weekend drill commencing on Saturday morning and ending Sunday afternoon.

The first drill was held July 19 and 20. The next meeting will be eithe rat the Naval Reserve Training Center or aboard a Reserve destroyer escort. For further information call ACademy 2-6411, extension 387, or visit the Naval Reserve Training Center, Harber drive at Lowell street, san Diego.

CARD OF THANKS

We wish to thank everyone for their thoughtfulness, kindness and consideration during the recent bereavement suffered by us in the loss of our son Bob.

Trade Stamp Regulation Hearing Set

Possible regulation of the trading stamp industry in California is the basis for hearings of the State Senate Interim Committee on Business and Professions which Senator Fred H Kraft of San Diego attended in Los Angeles last week. The San Diego County lawmaker is vice-chairman of the committee.

Among proposals under consideration by the committee were those which would:

1. Prohibit the use of trading stamps;

2. Require payment to the State of the value of all undelivered stamps after the lapse of a stipulated number of years;

3. Levy a special tax on trading stamp companies and or upon business firms issuing trading stamps;

4. Restrict the use of trading stamps in connection with the sale of any goods or services governed by price maintenance laws, such as fair trade acts;

5. Require trading stamp companies to be organized as corporations, or post a bond or other financial security for the protection of stamp holders;

6. Make mandatory redemption of trading stamps in cash;

7. Establish a joint liability on the part of the issue of stamps (local merchants together with the trading stamp companies; or

8. Maintain the status quo.

Senator Kraft announced the hearings will be continued in the fall in Northern California.

BIG WATER NEWS

The Silver Springs Water Company has opened the most modern bottling plant in the West, greatly increasing its capacity to serve San Diego families with the finest pure spring water.

You are cordially invited to visit the new Silver Springs plant at 5905 Murphy Canyon Road in Mission Valley. Inspect the gleaming all-stainless steel bottling room and tanks and see how every precaution is taken to insure absolute cleanliness and purity for your "drink from Silver Springs."

Now is the time to start enjoying a drink from

SILVER SPRINGS

(in the mountains near Ramona)

FIVE GALLONS ONLY 96¢ PLUS TAX

Methodists Host To Japan Team Of Touring Scholars

Thursday night, this week at 6:30 p.m. the Lemon Grove Methodist church will be host to a visiting Japanese team of four people under sponsorship of the Southern California-Arizona Conference.

Professor Yoshiaki Iizaka, teacher of political science at Gakushuin university will have with him Norfyuki Aoiki, student of economics major at the Waseda university; Mikihito Matsudo, student of medicine at the Hokkaido university and Miss Sumako Tanabe, a student of liberal arts at the International Christian university.

This team is to be served a typical potluck supper at the church, 3205 Washington, and will be followed by a discussion period with questions and answers from the Japanese team and those of Lemon Grove. This program is made possible by the Christian social action committee under the leadership of Mrs. Gladys Fredricks, chairman.

☆ Dairying is the greatest single food which contributes to making the United States the best fed nation on earth.

SV Firemen Host Party For Youths

The Spring Valley fire department had a hom dinner with all the trimmings July 24 for the SV fire department Pony league ball team, which, incidentally, made third place in the Lemon Grove-Spring Valley league season. The dinner was held at SV fire station number 2 at Ramona drive and Casa de Oro boulevard. Everything was cooked and served by chief Clark Jils wife and several of the firemen.

The team was actually sponsored by an anonymous person who requested that the fire department use its name for the team. The dinner was given in appreciation of the team and sponsor.

Guests of honor, besides the team were Dr. and Mrs. Don Kelly. The doctor was one of the team's coaches. He was presented with a trophy, by the team, and Mrs. Kelly received a pair of ear rings. The other guests besides the team were coach Dick Shea and Donna Marie Kelley, daughter of Dr. and Mrs. Kelley.

Team members there were Dennis Kruse, Bill Davis, Paul Toumainen, Chuckie Toumainen (bat boy), Tom Kelley, Barry Hodgson, Ralph Blunt, Dan Mangels, Jacob Miller and Stan Selby.

Other boys of the team who were absent, were Ronald Ledford, Robert Lippman, Mark Mason, George Hilderbrand, Jerry Martinson, Jim Gilbert, and Bill Kelley.

☆ Dairying is a major segment of our agriculture . . . an agriculture through which less than 12 per cent of the nation's population provides the food and fibre for all. This 88 per cent of the population is completely dependent on the 12 per cent for their abundance of food and fibre.

Blind Class Sponsored For District

The Olivewood Junior women's club of National City, is sponsoring a recreation class for blind and partially blind children, at the Pals and Gals clubhouse, Goodland Acres, Troy street, Spring Valley.

The classes are each Tuesday, 9 a.m. to 1 p.m. Classes will continue until school starts in September. Being taught at present are tap dancing, by Mrs. C. V. Eskridge of Spring Valley, and clay molding and novelty crafts by Mrs. Jackie Laughon of La Mesa. There is no charge. Those desiring to take part are requested to bring a sack lunch. For further information call Mrs. Elouise Fainan, at HO 3-5429.

Mrs. Fainan, who lives in Lemon Grove and is vice-president of the Olivewood Juniors, is directing the program. She said recently as far as she knows, this is the first time such a program has been offered in San Diego county. She said there is quite an extensive program or blind and partially blind children, going on in Los Angeles. The program there started as a recreation class and worked into a summer camp. The recreation program continues throughout the year.

Mt. Helix Shrine Set For Social

Mt. Helix Shrine number 52, Order of the White Shrine of Jerusalem, has slated an ice cream social including entertainment for Friday this week at 7 p.m. in the La Mesa Masonic temple.

Jack Anderson, general chairman, reports there will be no stated meeting Friday.

Th annual picnic for San Diego White Shrines will be August 10 from 11 a.m. on at the Grotto, Presidio park, Mission Valley road.

Assoiate Watchman of Shepherds, Sidney Morse, is in charge of all arrangements.

Job's Daughters Meeting Monday

The Job's Daughters mothers' club will imeet Monday at 7:30 p.m. at the Methodist church, 3205 Washington, in Lemon Grove. Hostesses for the last meeting were Mrs. Katherine Doty and Mrs. Devela Cooper.

The club is also planning a trip to Los Angeles on August 9. They are going to Graumann's Chinese theater to see The Wind-Jammer, with a tour through Farmer's market afterwards. If possible they will also tour through Hollywood to see the homes of the movies stars.

For reservations and price information call Mrs. Leslie Cooper, HO 6-7698. Mrs. Cooper is the Mothers' club president.

ELVIA AGUILAR

Tijuana resident Elvia Aguilar, secretary to the Most Rev. Charles F. Buddy, Bishop of San Diego, has been named queen of the Fiesta del Pacifico. She received $1,000 in cash, a trip by Western Air Lines to Las Vegas, where she will spend three days at the Flamingo Hotel, and will reign over all Fiesta events, Aug. 29 through Sept. 9. She will be crowned at the Coronation Ball in Balboa Park Aug. 29.

Low-Level Highway Meeting Set In SV

The second meeting on the proposed low level highway to the East, will be held in the Spring Valley chamber of commerce hall, 9050 Memory lane, at 8 p.m., August 5. Representatives from several civic organizations have been invited. Other interested persons are invited to attend.

"Great is TRUTH, Fire cannot burn, nor water drown it" . . . —DUMAS

OVERWEIGHT FOLK CAN BE UNDERNOURISHED

Lopsided diets, which are high in calories derived from starches, sugars, and fats, but deficient in essential vitamins, produce overweight bodies which are actually undernourished. This is the great American dietary error. We think in terms of mashed potatoes with bread and butter on the side, buttered corn, and sweet rolls.

DR. BARTON

The balanced diet for proper nutrition includes green, leafy vegetables, the "yellow" roots, such as carrots, the rich vitamin content in fruits, especially citrus. These provide ascorbic acid (vitamin C) and other vitamins which provide calories without adding much weight. The calcium the body needs is provided in milk, cheese, and eggs.

Those who can enjoy raw vegetables—cabbage, carrots, lettuce, peppers, and onions—get more vitamins to the ounce. These foods also discourage constipation. Calorie needs vary according to age, sex, body, size, and extend of activity. Nature of work and personality are also factors. Intense, nervous personalities require as many calories doing sedentary work as a laborer.

Cheating the body of the vital protective vitamins, and ignoring the need for balanced diet, is the dietary delinquency of many citizens. It isn't overeating that's bad—but overeating the wrong foods. Your doctor of chiropractic will be glad to discuss ways and means to assist you in your struggle against being overweight.

Swim Meet Entry List Date Nears

Final plans were announced today for the Henry Gunther Memorial swimming meet to be held at Gunther pool at Gillespie field, El Cajon, August 9. The meet, sponsored by the Fletcher Hills and El Cajon Lions clubs and the Henry Gunther Memorial committee, is sanctioned by the AAU, according to Stephen G. Fletcher, chairman of the memorial committee.

Medals will be awarded to first, second and third places in all events. Entries are expected from swimmers throughout southern California for this first annual meet at the Olympic-size pool.

Fletcher, a former AAU champion himself, stated that "it is the committee's hope that this meet will be the forerunner of national meets to be held at Gillespie in the future."

Entries close Friday this week and entry blanks can be obtained from the AAU by calling HUdson 8-8003, or by calling HOpkins 3-4437.

Aviation Man In Operation

Charles W. Kramer, aviation ordinanceman third class, USN son of Mr. and Mrs. W. J. Mantel of 7035 Central avenue, Lemon Grove, and husband of the former Miss Jean E. Duffner of 7049 Central avenue, Lemon Grove, serving with Patrol Squadron 42, took part in the First Fleet Striking Force Exercise "Blue Bolt", July 7 to 11.

The operation involved a force of 36 ships, 26 squadrons of Naval aircraft, and over 22,000 personnel, making it the largest Eastern Pacific training exercise of the year.

Ships and aircraft formed fast moving "blue" attack carrier teams which struck out against simulated mainland targets. "Orange" defensive forces, consisting of Naval planes and submarines tried to outwit the invaders. This marked the first use of an angled deck anti-submarine carrier in Pacific Fleet exercises.

Striking Force Exercises are designed to give advanced training to personnel preparing to deploy to the U.S. Seventh Fleet in the Western Pacific.

New Studio Opens Here

Dorothy B. Dahlquist, R.N., will open a new Slim & Trim gymnasium studio in La Mesa Tuesday. Gymnasticizing, she said, is a new type of relaxing technically known as gymnexing.

Tuesday's opening will be devoted to demonstrations and personal figure analysis during the hours from 10 a.m. to 9 p.m.

Personal free demonstrations will be given both men and women any day during open hours and in the evening by appointment.

NOTICE OF HEARING OF PETITION FOR INCLUSION OF LANDS WITHIN HELIX IRRIGATION DISTRICT

NOTICE IS HEREBY GIVEN by the undersigned the Secretary of the Board of Directors of the Helix Irrigation District, that on the 22nd day of July, 1958 petitions were filed in the office of said Board of Directors praying for the inclusion of the tracts of land in said petition and in this notice hereinafter described within said Helix Irrigation District. The names of the petitioners who signed said petitions are as follows:

Gesualdo G. Bruno
Susanna Bruno
Jonathan J. Pearson
Josephine J. Pearson
Raymond Lynn Benson
Beverly S. Benson
Cajon Investment Company
By William J. Bauer, President
J. M. Investments, Inc.
By Haig C. Merigan, President
Triumph-Fro Corp.
By Douglas E. Letson, President
By: Harold E. Letson, Secretary
Stellardyne Laboratories, Inc.
By: B. H. Hadley, President
By: M. W. Lowery, Secretary

The tracts of land proposed by said petitions to be included in said District are described as follows:

PARCEL 1: (Gesualdo G. Bruno and Susanna Bruno)

(His Parcel No. 34—Exception No. 21 to Parcel 1 of Helix Irrigation District Boundary Description dated January 28, 1958, and recorded January 30, 1958, in Book 6930, page 359 of Official Records of San Diego County)

All that portion of Lot 3, Block 2, Lake View Subdivision, in the County of San Diego, State of California, according to Map thereof No. 737, filed in the office of the County Recorder of said San Diego County, bounded and described as follows:

Beginning at the Southeast corner of said Lot 3 of Block 2;

1. Thence Westerly along the South line of said Lot 3 to the East line of the Westerly five acres of said Lot 3, East line of the Westerly five acres being parallel to the Westerly line of said Lot 3;
2. Thence Northeasterly, parallel with the Northwesterly line of said Lot 3, being also along said East line of the Westerly five acres to the Northerly line of said Lot 3;
3. Thence Easterly along said Northerly line of Lot 3 to the Easterly line thereof;
4. Thence Southerly along said Easterly line of said Lot 3 to the point of beginning.

PARCEL 2: (Jonathan J. Pearson & Josephine J. Pearson

(His Parcel No. 5—Exception No. 4 to Parcel 1 of Helix Irrigation District Boundary Description, dated January 28, 1958, and recorded January 30, 1958, in Book 6930, page 339 of Official Records of San Diego County)

All that portion of Lot 175 of La Mesa Colony, according to amended Map thereof No. 670, on file in the Office of the County Recorder of the County of San Diego, State of California, bounded and described as follows:

Beginning at the Southwesterly corner of said Lot 175 of La Mesa Colony;

1. Thence Northerly, Easterly and Southerly along the Westerly, Northerly and Easterly lines of said Lot 175, to a point distant thereon 660 feet Northerly from the Southeasterly corner of said Lot 175;
2. Thence Westerly along a line parallel with the Southerly line of said Lot 175, 200 feet;
3. Thence Southerly along a line parallel with the Easterly line of said Lot 175, 660 feet to the Southerly line thereof;
4. Thence Westerly along said Southerly line to the point of beginning.

PARCEL 3: (Raymond Lynn Benson and Beverly S. Benson)

(Portion of His Parcel No. 34—Exception No. 16 to Parcel 1 of Helix Irrigation District Boundary Description, dated January 28, 1958 (and recorded January 30, 1958 in Book 6930, page 359 of Official Records of San Diego County)

All those portions of the Subdivisions of the "S" Tract of the Rancho El Cajon, filed in Book 170, page 71 of Deeds in the office of the Recorder of the County of San Diego, State of California, and of the Resurvey and Plat of Tract No. L being the Southwest portion of Plat "S" of El Cajon Rancho, Map No. 355, on file in the office of the Recorder of said County, bounded and described as follows:

Beginning at the Southeast corner of Lot 1 of Block 27 as shown on said Map of the Subdivisions of the "S" Tract of the Rancho El Cajon;

1. Thence Northerly along the Easterly line of said Lot 1 to an intersection with the Northerly line of the Southerly 330 feet of Lots 2 and 4 of Block 27 as shown on said Map No. 355;
2. Thence Easterly along the said Northerly line of said Southerly 330 feet to an intersection with the Westerly line of the Easterly 264 feet of said Lot 4 of Block 27;
3. Thence Northerly along said Westerly line of the Easterly 264 feet of Lot 4 to an intersection with the Southerly line of the road lying between Blocks 27 and 29 of said Subdivisions of the "S" Tract;
4. Thence Westerly, Southwesterly and Southeasterly along the Southerly, Southeasterly and Easterly line of the road bounding said Block 27, to the South line of Lot 1 of said Block 27, being also an angle point in the Boundary Description of Exception No. 16 to Parcel 1 of the Helix Irrigation District as recorded January 30, 1958 in Book 6930, page 359 of the Official Records of said County;

Thence, along said Helix Irrigation District Boundary, the following courses:

5. Westerly along the Westerly prolongation of the said South line of Lot 1 to the center line of the road lying between Block 27 and 25 of said Subdivisions of the "S" Tract of the Rancho El Cajon;
6. Northwesterly along said center line of the road lying between Blocks 27 and 25 to the Easterly prolongation of the South line of the Northerly two-thirds of Lot 10 of said Block 27;
7. Westerly along the said Easterly prolongation to the West line of the said road lying between Blocks 27 and 25;
8. Northwesterly, Northeasterly and Easterly along the said West line of the road lying between Blocks 27 and 23, to the Southeast corner of Lot 8 of said Block 23;
9. Northerly along the Easterly line of said Lot 8 to the Northeast corner of said Lot 8;
10. Westerly along the North line of said Lot 8 and along the North line of Lots 7, 6 and 5 of said Block 23 to the Northwest corner of said Lot 5;
11. Northerly along the Northerly prolongation of the West line of said Lot 5 to the North line of the South 12 feet of Madison Avenue as shown on said Map No. 355;
12. Westerly along said North line of the South 12 feet to the Northerly prolongation of the East line of Lot 1 of said Block 25;
13. Northerly along said Northerly prolongation to the center line of said Madison Avenue;
14. Easterly along the center line of said Madison Avenue to the center line of Fourth Street, as shown on said Map No. 355;
15. Southerly along the center line of said Fourth Street to the center line of the Road bounding Block 29 on the South and East as shown on said Map No. 355 and known as Montgomery Avenue;
16. Easterly along the center line of said Montgomery Avenue to the Northerly prolongation of the Easterly line of Lot 4 of said Block 27;
17. Southerly along said Northerly prolongation and along the Easterly line of said Lot 4 to the Southerly line of said Lot 4;
18. Westerly along said Southerly line of Lot 4 and along the Southerly line of Lot 3 of said Block 27 to the point of beginning.

PARCEL 4: (Cajon Investment Company by William J. Bauer, President and J. M. Investments, Inc., by Haig C. Merican, President)

All that portion of Block 47 of the Subdivisions of the "S" Tract, Rancho El Cajon, according to Map thereof in Book 170, page 71, of Deeds, on file in the office of the Recorder of the County of San Diego, State of California, bounded and described as follows:

Beginning at the intersection of the Westerly line of said Block 47 of the Subdivisions of the "S" Tract with the Westerly prolongation of the Southerly line of Lot 2, Block 1 of Lake View Subdivisions, according to Map thereof No. 737, on file in the office of the Recorder of said County, said beginning point being also the angle point between Course Nos. 72 and 73 of Parcel 1 of the Boundary Description of the Helix Irrigation District as recorded January 30, 1958 in Book 6930, page 359, Official Records of said County;

Thence, along the Boundary of said Helix Irrigation District the following courses:

1. Easterly along said Westerly prolongation of the Southerly line of Lot 2 to the Southwest corner of said Lot 2;
2. Northwesterly along the Westerly line of said Lot 2 and along the Westerly line of Lot 1 of said Block 1, as shown on said Map No. 737, to the Northwest corner of said Lot 1;
3. Westerly along the Westerly prolongation of the Northerly line of said Lot 1, Block 1, of Lake View Subdivisions, Map No. 737, to the Westerly line of Lot 11, Block 47, as shown on said Map of the Subdivisions of the "S" Tract;

Thence, leaving the boundary of said Helix Irrigation District, Southerly along the Westerly line of said Block 47 of the "S" Tract to the point of beginning.

PARCEL 5: (Triumph-Fro Corp. by Douglas E. Letson, President and Harold E. Letson, Secretary)

All that portion of Lot 8 Block 4 of the Subdivision of H. B. Lockwood's portion of the "S" Tract in the Rancho El Cajon, in the County of San Diego, State of California, according to Map thereof No. 328, filed in the office of the Recorder of said County, and any portion of that certain 80 foot strip of land contiguous to the East line of said Lot 8, lying within the following described parcel:

Beginning at the intersection of the Southerly line of Lot 8 of said Block 4 with the Westerly right-of-way line of the San Diego and Arizona Eastern Railway Company, as same is shown on Map No. 2122 of Fletcher Hills Unit No. 2, filed in the Office of the Recorder of said County, said point of intersection being a single point on the Northerly boundary of Parcel 1 of the Helix Irrigation District, between Course No. 22 and Course No. 23 thereof, said boundary being dated January 28, 1958, and recorded January 30, 1958 in Book 6930, page 359 of the Official Records of said County;

Thence Southerly, Easterly and Northerly along Course Nos. 23, 24 and 25 of said Parcel 1 of the Helix Irrigation district boundary to the Northerly terminus of said Course No. 25 of Parcel 1 of said boundary, being a point on the Southerly line or the Easterly prolongation thereof, of said Lot 8, Block 4, of said H. B. Lockwood's Subdivision;

Thence leaving said boundary of the Helix Irrigation District Westerly along said Easterly prolongation and Southerly line of said Lot 8 to the point of beginning.

PARCEL 6: (Stellardyne Laboratories, Inc. by B. H. Hadley, President and M. W. Lowery, Secretary)

All those portions of Tract 7 of that part of the Rancho El Cajon, in the County of San Diego, State of California, set off to the heirs of James M. Fletcher, deceased, according to the Partition Map of land of said Hill Estate on file in the office of the Clerk of said County, and of Lot 13 in Block 4 of the Subdivision of H. B. Lockwood's portion of the "S" Tract, according to Map thereof No. 328, filed in the office of the Recorder of said County and of Cuyamaca Street in Fletcher Hills Unit No. 2 as shown on Map thereof No. 2122 on file in the office of the Recorder of said County, bounded and described as follows:

Beginning at a point on the Westerly line of Cuyamaca Street at its intersection with the North line of Block 30 of Fletcher Hills Unit No. 2 as shown on Map thereof No. 2122, on file in the office of the Recorder of said County said point being also the Southerly terminus of Course No. 15 of Parcel No. 1 of the Boundary Description of the Helix Irrigation District, dated January 28, 1958 and recorded January 30, 1958 in Book 6930, page 359 of Official Records of said County;

Thence Easterly along said North line of said Block 30 and its Easterly prolongation to the Easterly line of said Cuyamaca Street;

Thence Northerly along said Easterly line of Cuyamaca Street to the South line of Section 34, Township 15 South, Range 1 West, S.B.B.M., as indicated on said Map No. 2122;

Thence Easterly along the South line of said Section 34 to the Northwest corner of Block 31 of said Fletcher Hills Unit No. 2, being also the Southwest corner of Lot 9, Block 4 of H. B. Lockwood's Subdivision, according to Map thereof No. 328, on file in the office of the County Recorder of said County;

Thence in a general Northerly direction along the Westerly line of said Lot 9 to the Southwest corner of Lot 8, Block 4 of said H. B. Lockwood's Subdivision;

Thence Westerly along the Westerly prolongation of the South line of said Lot 8 to an intersection with the Westerly line of said Cuyamaca Street at a point which is the Easterly terminus of Course No. 14 of Parcel No. 1 of the Boundary of said Helix Irrigation District;

Thence Southerly along said Westerly line of Cuyamaca Street, being also along Course No. 15 of said Parcel 1 of said boundary, to its Southerly terminus and the point of beginning.

NOTICE IS HEREBY GIVEN that said Board of Directors will hear said petition and objections thereto at 9:30 a.m. on Tuesday, August 26, 1958, said day being the regular meeting day of said Board next after the expiration of the time for the publication of this notice. Said hearing will be held at said time in the office of said Board, at 8111 University Avenue, in the City of La Mesa, in the County of San Diego, State of California.

NOTICE IS HEREBY FURTHER GIVEN to all persons interested in or that may be affected by the proposed inclusion of said lands within said District to appear at said time and place and show cause in writing, if any they have, why said lands or any of them should not be included as proposed in said petition, to which petition reference is made for further particulars.

DATED this 22nd day of July, 1958.

MARGARET C. PENRY
Secretary of the Board of Directors of Helix Irrigation District.

LG Rev. July 31, Aug 7 & 14, 1958

NOTICE OF FILING PETITION FOR EXCLUSION OF LANDS FROM THE HELIX IRRIGATION DISTRICT AND TIME OF HEARING THEREON

NOTICE IS HEREBY GIVEN that MAUDE HARTLEY filed in the office of the Secretary of the Board of Directors of the Helix Irrigation District, on the 22nd day of April, 1958, a petition praying that the lands in said petition and hereinafter in this notice described, be excluded from within the boundaries of said District.

NOTICE IS HERBY FURTHER GIVEN that all persons interested in or who may be affected by such change in the boundaries of said District are required to appear at the office of the Board of Directors of said District, 8111 University Avenue, La Mesa, California, at 9:45 o'clock on Tuesday, the 26th day of August, 1958, and show cause in writing, if any they have, why the change in the boundaries of said District as proposed in said petition should not be made.

The land hereinabove referred to is situated in the County of San Diego, State of California and more particularly described as follows:

All that portion of the North 400 acres of Lot 13 of Rancho Mission of San Diego, in the County of San Diego, State of California, according to the Partition Map thereof made in Superior Court Case No. 348, in the action of Juan M. Luco et al., vs. the Commercial Bank of San Diego et al., filed as Map No. 333 in the office of the County Recorder of said County, described as follows:

Beginning at the intersection of the South line of Section 35, Township 16 South, Range 2 West, S.B.B.M., said South line of Section 35 being set forth in Course No. 257 of Parcel 1 of the Description of the Boundaries of Helix Irrigation District, dated January 28, 1958 and recorded January 30, 1958, in Book 6930 at page 359 of the Official Records of said County, with the Southerly prolongation of the East line of Sonka Urban Heights, according to the Map thereof No. 2951, on file in the office of the County Recorder of said County, said point of intersection being a point on the South line of the North 400 acres of said Lot 13, thence, leaving said boundary of Helix Irrigation District, Northerly along said Southerly prolongation of the East line of Sonka Urban Heights to the most Southerly corner of Lot 37 of said Sonka Urban Heights; thence in a general Westerly direction, along the Southerly boundary of said Sonka Urban Heights to the West line of said Sonka Urban Heights, said West line being on the North and South center line of said Section 35, and said North and South center line being set forth in Course No. 258 of Parcel 1 of the aforesaid Description of the Boundaries of Helix Irrigation District, thence Southerly, along said North and South center line of Section 35, being along the Southerly prolongation of the West line of said Sonka Urban Heights to the South line of said North 400 acres of Lot 13, being the South line of said Section 35 at the Southerly terminus of said Course No. 258 of Parcel 1 of said Boundary Description of Helix Irrigation District, thence Easterly, along the South line of said Section 35, retracing along Course No. 257 of Parcel 1 of said Boundary Description of Helix Irrigation District to the point of beginning of this description.

Dated this 22nd day of July, 1958.

MARGARET C. PENRY
Secretary of the Board of Directors of Helix Irrigation District.

(Review Photos 2003-2004)

DITCH DIGGER—These men and equipment have been working to finish up the sewage line ditches for the Casa de Oro district project. Upper photo shows the equipment from the front and the bottom photo shows them from the back.

CdO Sewer System Set For Completion Soon; Local Hookups Okayed

The situation in the Casa de Oro area, where residents were not allowed to hook up to sewer lines until the Dorfman Construction company have completed all work there, has been altered, according to Warren Barney, chief engineer for San Diego County public works department, and Leo Dietrich, superintendent for Dorfman on the Casa de Oro work.

The reports indicated that anyone may now hook up to the sewer line providing all work has been completed from the home to the street and that work has been inspected. After this is done the property owner must sign a waiver of protest, prepared by the Dorfman company. These waivers may be obtained by contacting Jack Gramis, junior engineer of the county public works. His phone number is CY 8-4181, extension 291.

However, top priority is being given to new homes, which have no septic tanks, and to older homes which have an emergency problem.

Several property owners of South Bonita street were complaining that the temporary hook up rejections were causing them no end of inconvenience and money. One place in particular felt the effect of the rejections, that of Mr. and Mrs. W. O. Nelson at 3611 South Bonita. The Nelsons had built four new cottages as rentals next to their own home. They were unable to rent these after they were finished.

Mrs. Nelson reported last week that after the sewer problem was eased up and the sewers for the new homes connected, which was July 18, that the first home was rented immediately.

The Dorfman company at present is laying pipe along Campo road east of Casa de Oro boulevard to about Calavo drive. Leo Dietrich, superintendent, said last week, the Campo road work should be done by the end of this week.

Dietrich said their equipment will be moved to area 15, probably by August 15. Area 15 is west of Casa de Oro, and the pipe there will be connected to the existing trunk lines put in by other contractors.

Dietrich pointed out that his company is now paving that part of the streets which the company dug to lap the sewer pipes.

NOTICE OF INTENTION TO SELL

NOTICE IS HEREBY GIVEN THAT The undersigned ALVIN WEAVER and EDNA L. WEAVER of San Diego, California, intend to sell to the undersigned FRANK SCHIAVI and ANGELA SCHIAVI husband and wife as joint tenants of San Diego, California, all that certain personal property consisting generally of Business trade name, goodwill, fixtures, equipment, stock and lease of LAUNDROMAT Business now owned and heretofore conducted by the undersigned ALVIN WEAVER and EDNA L. LG Review July 31, 1958

Woman Hurt In Wreck At Corner

A woman was hospitalized Saturday night following a two car crash at Buena Vista and Roosevelt in which both of the cars careened onto the lawn of the publisher of this newspaper.

The injured woman is Mrs. Ira McWilliams, 67, 7156 San Miguel who was a passenger in the auto driven by George Emil Geppelt, 2515 Buena Vista. She is reported to be in "fair" condition at Grossmont hospital.

Geppelt's auto traveling north on Buena Vista was struck by an auto traveling west on Roosevelt. Driver of the car was Gary Leroy Rickel, 16, a student at Mt. Miguel who lives at 7140 Beryl street. Both cars were badly damaged.

Impact of the crash catapulted both cars onto the lawn of Max Goodwin who lives at 2940 Buena Vista. One car scraped the bark from a palm tree but no other property damage resulted.

California Highway Patrolman John Amos said a citation would be issued after the report had been processed through the CHP accident investigation section.

The accident occurred at 7 p.m. and attracted a crowd of more than 150 persons.

Elderly Lady Found Dead

Mrs. Dora Mansell Bundy, 82, 3110 Chateau Way, was found dead on the floor of her home July 21 by a youth whom she had invited to "come by for a visit." She had been dead a week. The youth was Danny Heiserman, 17, a former neighbor, son of Mr. and Mrs. Ray Heiserman, 1601 Cameron.

Heiserman said "Grandmother" Bundy had visited his parents a week before and had asked that he stop by for a chat. He said he found newspapers stacked on the porch, the telephone ringing and the radio playing. The door was unlocked. Heiserman found Mrs. Bundy dead on the floor. He called his mother who called the sheriff's department. Sheriff's deputy Ernest Sable said the dates on the newspapers established the date of her death.

Mrs. Bundy lived with her son-in-law and daughter, Mr. and Mrs. Theron Scott of the same address. They were on vacation in Minnesota.

Recruit Ends Basic Work

George F. Baird, son of Mr. and Mrs. L. R. Baird of 3663 King st., Lemon Grove, graduated from recruit training July 30 at the Naval training center, San Diego.

The graduation exercises, marking the end of nine weeks of "boot camp," included a full dress parade and review before military officials and civilian dignitaries.

In nine weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

Second Term Set At State

Registration for the second term of summer sessions at San Diego state will be held August 11, according to College president Malcolm A. Love.

Love said 36 courses will be offered in 13 departments during the three-week session.

An outstanding feature of the second term will be the 16th annual Institute of World Affairs, in which more than 20 diplomats, scientists, economists, and political thinkers will speak on the theme, "disarmament and National Security." Speakers will include the ambassadors of Spain, Thailand, Ceylan, and Greece.

Lutherans School Set Next Week

Daily vacation Bible school begins Monday morning at 9 a.m. There will be classes for all ages from the nursery through the seventh grade. A very beautiful and interesting course of study has been adopted for the school. Each day begins with a worship service. Each department has its Bible story hour on its own level and has a period of singing under competent direction and a period of recreation and refreshments.

Each department has a period for handwork which fits into the lesson for the day. Boys and girls are invited to attend the school.

Thirty three new members were received into the fellowship July 20. Some came by letter of transfer, some by baptism and some by adult confirmation. They are the following families: Mrs. Arletta V. Brady and children, Mrs. Du Charme and family, Mr. and Mrs. Fred Entreken and family, Mr. and Mrs. Ronald Grabanski and family, Mr. and Mrs. John Arch Graham and family, Mrs. Elaine J. Merten, Mr. and Mrs. Gilbert L. Olson and son, Mr. and Mrs. Edward Smartland, Ted Steele, Mrs. Josephine Thompson and Mr. and Mrs. Theodore Staak and family.

Another instruction class for adults who would like to become members of the church, but have not been instructed and confirmed in the Lutheran faith will be organized in a few weeks. Any one interested, please call the church.

The congregation considered some very important matters at its quarterly business meeting July 20. The stewardship program for 1959 was discussed and a plan adopted. Much discussion concerned the future development of the congregation. In the opinion of those present, the construction of a new church was placed as number one schedule of development. The planning committee was instructed to explore the next step in the realization of this project.

At least two of our young folks will be attending a leadership school at Covina, Calif., in August. The purpose of the school is to develop the leadership among the youth and training them to carry on a more effective program in the Luther League.

Liquor Store Operator Hit

Jack N. Holt, operator of the Mint liquor store at 7955 Broadway, in Lemon Grove has pleaded guilty of failing to make a quarterly report to the department of employment.

The plea was entered in El Cajon municipal court by Judge Wallace P. Rouse of Indio, who is sitting during the vacation of Judge Fenton Garfield.

Rouse fined Holt $200 and suspended a 90-day jail sentence as a condition of two years' probation.

Santa Sophia Parish News

Many have seen the building progress on the site of Santa Sophia Parish. Progress is being made elsewhere at Santa Sophia. An executive committee has been at work for some time now organizing a campaign to carry out the financial obligations of this undertaking.

An advanced gifts committee at a dinner meeting at the new rectory pledged its financial support by a substantial amount. It is felt that the campaign cannot help but succeed in view of the fact that it is tied in with the education development program.

It is planned this fund raising campaign will continue for about six weeks.

Youths Set Play Dates

The Boy with a Cart, the coming production of the San Diego junior theatre, will culminate the summer workshop courses.

This poetic play by Christopher Fry will be presented August 1 and 2 in the Greek theatre. It is sponsored by the council of churches and the California Western university.

The cast, selected from the summer workshop students and adult apprentices are Cuthman, Norman Nelson and Doug Bunnel; mother, Mrs. Peggy Harrit; Bess, Ann McLaughlin; Mildred, Yolanda Lopez; Tawn, David Burke; Tawn's daughter, Marilyn Miller; Son-in-law, Mike Kibbe; Farmer, Gary Gordon; Mrs. Fipps, Jo Darlene Richmond and Judy Smith; Alfred, George Harter; Demiwulf, Don Barlow; Mat, Gary Gordon; Tibb, Don Barlow; Mowers, Mike Kibbe, Pete Stoesser, Chris Bach, Joe Rouge and Kenny Bloom.

The verse choir, giving the narration of the play, is under the direction of E. Kingsley Povenmire and includes the following students: Elizabeth Best, Yolando Lopez, Jackie Chillo, Anne McLaughlin, Grace Gates, Donna Cain, Judy Emith, Laurie Riddell, Marilyn Miller, Nikki Kaufman, Edith Montijo, Jo Darlene Richmond, Don Barlow, George Harter, David Burks, Douglas Bunnel, Dena Windsor, Gary Gordon, Dave Wittman, Steve Wesloh, and Cothy Emerson. Edith Montijo is a resident of Spring Valley.

Little League NOTES...

Lemon Grove Little League has resumed their regular schedule of games now that the tournament play has lev this area. The league competed in three tournaments, before being defeated by Encanto 2 to 1.

The regular games are played every evening, except Monday at 5:30 p.m. with a double-header on Saturday 1:30 and 3 p.m.

The regular monthly meeting will be held on Monday at 8 p.m. at San Miguel grade school auditorium.

League Standing

Cubs	7	1
Indians	5	2
Yankees	4	3
Braves	3	5
Tigers	3	5
Dodgers	1	7

Opti-Mrs. Host Group

The Lemon Grove Opti-Mrs club will play host to all Opti-Mrs presidents of San Diego county at Michael's August 4 at noon.

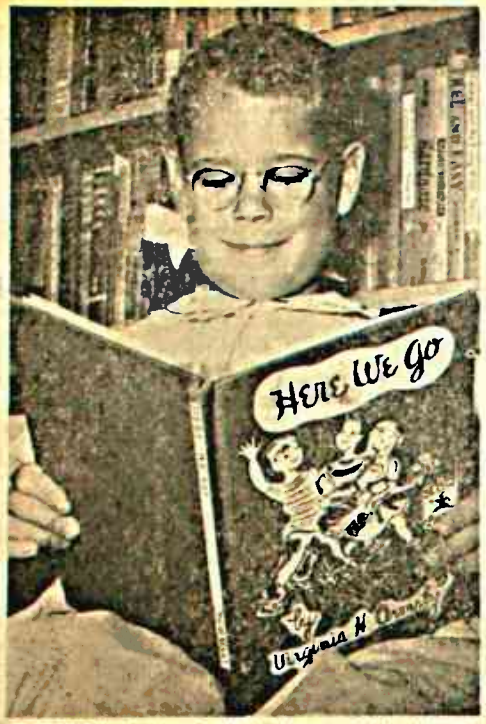
Of the twelve clubs in this area there are at the present eight reservations. A full representation is expected.

This will be the third quarterly meeting of these presidents. They meet to discuss their mutual problems and announce future plans for their respective clubs.

On the committee for the Lemon Grove club will be President Barbara Wenzel, Vice Presidents Barbara Howell and Vera Nutter.

BUSINESS MEET SET

The Branch 139 reserve association will meet this week on Friday at 8 p.m. in the La Mesa American Legion hall, Donald B. Strock, association officer, reports.



BOOKWORM—Eva Lynn Budzinski, five-year-old daughter of Mr. and Mrs. Edwin Budzinski, 3225 Citrus, Lemon Grove, here reads one of the 2500 kiddies' books which the Lemon Grove public library offers to the youngsters of this area. Eva is a member of the Reading Roundup, a summer reading program which the library began this summer for children from grades one through eight. The program includes 50 Members but many others who are reading strictly for recreation don't bother to hand in reports on the books they read, says Mrs. Ruth Pedler, librarian. Jim Taylor of the forestry service has offered Smokey Bear material to the library. Badges, and certificates will be presented to the children who compete the 10-book reading requirement.

Egg Labor Discussed By California Farm Advisor

Results of a recent survey for egg production show that on the average, it takes one man to care for each 3,000 laying birds. Robert H. Adolph, University of California Farm Advisor, who conducted the survey, points out that on the 65 ranches studied about one-half of the labor was hired labor.

Egg handling time comprised the major chore on these poultry ranches. This, according to Adolph, averaged just over 50 per cent of total time required.

Most ranches in the Survey had one or more full or part time employees. Poultry farming requires daily attention so that the combination of two or more people were necessary to provide at least one day off per week for the poultryman or his help.

Results of this survey may be obtained upon request to the Farm Advisor's office. Meetings to discuss these results will be held for county poultrymen as follows:

Escondido, 10 a.m., July 30, Felicita park; San Marcos, 1:30 p.m., July 30, 9m, 4B, Palomar college; Fallbrook, 10 a.m., July 31, Live Oak park; Vista, 1:30 p.m. July 31, Wildwood park.

Adolph states that all poultrymen and interested persons are invited to attend these meetings.

County Sets Hospital Expansion

San Diego voters will ballot November 4 on a county proposition calling for construction of a modern 6-story addition to the county hospital facilities at the northerly end of Front street.

T. M. Heggland, county administrative officer, said schematic plans of the building have been completed and engineers and technicians in the department of public works are working on final cost estimates.

"Preliminary estimates indicate the building and equipment, plus a new power plant, will cost between $12 million and $14 million," Heggland said. "The exact amount of the cost will be known in several weeks. Then the wording of the bond propositions can be worked out by the bond attorneys," Heggland said.

La Presa Church Services Set

"I Am The Vine" will be Rev. Josephine Hutching's topic for Sunday morning at the La Presa Community church. It will be Communion Sunday.

Ladies of the church gave a "stork" shower July 18, honoring Mrs. Charles Scott. The shower was held at the home of Mrs. Norman Howarth, 8903 Harness street. Besides the guest of honor and the hostess, those who attended were Mrs. Ida Long, Mrs. Pablo Freeman, Mrs. Sanders, Mrs. Moses, Mrs. Auben Freeman, Mrs. Thomas, Mrs. (Rev.) Josephine Hutchings.

Rodeo Set For Balboa On Weekend

More than 200 youngsters will be special guests of the San Diego county sheriff's relief association at their 1958 fourth annual rodeo in Balboa stadium Saturday and Sunday this week. The children, residents of the San Diego children's home, Hillcrest receiving home and the Nazareth house of Mission Valley, will see the Sunday show which opens at 2 p.m. The Saturday night performance is slated for 8 p.m.

Professional cowboys from all over the US will be competing. Grand Marshal of the rodeo will be Wayde Preston, the TV star of "Colt .45" and other television series.

A. E. "Bob" Howell, Lemon Grove businessman, will lead the grand entry parade with the color guard of Marines from Camp Pendelton.

The rodeo is promoted by the sheriff's relief association to provide financial assistance to deputy sheriffs families in time of need. Admission to the rodeo is $2 for adults and 75 cents for children under 12.

Junior High P-TA Hears Meet Plans

"We expand our circles of cooperation," the theme of this year's California Congress of Parent and Teachers, was topic at the recent board meeting of the Spring Valley junior high school PTA.

With Mrs. S. K. Solleder, president, and Keith Dolan, principal, the board made plans for its annual luncheon to honor the teaching staff of Spring Valley junior high on September 4.

"An average of ten prospective teachers are interviewed for each one hired in this district," Dolan pointed out as he announced the names of the eleven new teachers to be honored with the nineteen members of last year's staff. Teachers new to Spring Valley junior high school will be Wallace Cooper from Bellingham, Washington, teaching English-Social studies and math (7th); Edward Dion from Holyoke, Massachusetts, teaching 7th and 8th grade science; Miss Ila Flinn, teaching English-Social studies and physical education (7th), transferring from Northmont school; Ken French teaching mathematics, transferring from Rolando; Miss Patricia Hemphill, librarian, from Michigan; Roger Miller, graduate of San Diego State college, teaching science and math; Mrs. Eleanor O'Donnell from Rockford, Illinois, teaching English-Social studies and family living; Miss Patricia Parady, graduate of the University of Michigan, teaching English-Social studies and Spanish; Jay Scott, teaching English-Social studies and creative writing, transferring from Northmont; John Slaughter, graduate of San Jose State college teaching shop and math; and Miss Enid Treffinger, teaching English-Social studies and journalism, transferring fom Rolando.

Tax Job Open For County Man

An examination to fill a position of inheritance tax investigator in the county treasurer's office will be held August 23.

An inheritance tax investigator checks the contents of safe deposit boxes of deceased persons, determines the ownership of real and personal property, and interviews and advises survivors regarding the legal procedures required by State Code in the settling of decedent's affairs.

High school graduates under 35 years of age who posses a California driver's license may file an application for this position if they have at least two years' of experience in investigating estates of deceased persons or in other work involving handling estates, stock and bonds, or similar intangibles in a bank, trust department, title company, bond house, or governmental agency.

Applications may be filed through August 11 at the County Personnel office, room 403, civic center.

Increased workload in estate investigation necessitates hiring an additional person in the treasurer's office according to the county personnel department.

OFFER MADE

The United Plumbing company this week reported an offer of a free faucet washer kit by mail or pick up to anyone calling HO 3-4475. The kits can be picked up at 7303 Broadway. The kit is called "Nip the Drip."

Haseldens Buy New Restaurant

The W. A. Haseldens who lived at 8111 Golden avenue have bought a restaurant in Julian. They named it the Golden Pine and feature steak and apple cobbler.

The Haseldens were active in church and civic matters during the eight years they lived here.

Bill, Jr., 16, worked part-time for this publication and finished his junior year at Mt. Miguel. He is president of the Gadabout Teenage square dance club.

The couple's restaurant is open seven days a week serving all three mealtimes.

The Dimmer VIEW

(Continued)

ment district. They put $12,000 in the current budget for this purpose to show faith.

Last week and this the Boosters club, a division of the Lemon Grove chamber of commerce met in extraordinary session to attempt to work out ways and means to induce property owners along Broadway to string along with the alternate plan.

If they are successful a boule vard-type main street will be a perpetual monument to their farsightedness and determination.

It isn't as if this office doesn't have enough to do without taking on the position of horticultural expert for the local chamber of commerce.

New title is the result of a folder issued by the chamber. It shows all sorts of scenes such as water skiing, snow balling in the mountains, a shot of the telescope at Palomar and others. But the one which caused the trouble is the top picture showing a man gathering a harvest of things which look like strawberries the size of cantaloupes. A score of people called this office to find out what they are. We didn't know either, at that time.

We asked the chamber's secretary, Gladys Kranch about is. She didn't know. Ernie Newton, the president got a far away look in his eye like I had asked him to recite the population of the top ten cities in Asia. He didn't know either. George Walker, the local draughtsman who designed the folder checked with Edward Sievers, a photographer who took the picture and they decided we were asking about cherimoyas. Betty Hunter, of Hunter's Nursery finally gave us the full treatment.

The cherimoya, she said, is somewhat like an avocado. There are few tree hereabouts (Sievers took the picture in the folder in Chula Vista) It has a bland, sweet taste, said she and is often called "ice cream fruit."

Like the mango, papaya and sapote, she said, they can be raised locally but thrive better farther south.

Lee Nemechek, general manager of Food Basket markets said his group stocks them . . . usually in the fall.

For those who want to know about papayas, mangos or sapotes we refer you to the chamber of commerce . . . or to Mrs. Hunter. Our research ended with the study on cherimoya.

NOTICE OF TRUSTEE'S SALE
T.O. NO. 57-3182

On TUESDAY, August 12, 1958, at 11:00 a.m., TITLE INSURANCE AND TRUST COMPANY, as Trustee under and pursuant to Deed of Trust dated May 21, 1957, executed by LARWOOD COMPANY, a California corporation, and recorded May 31, 1957, in book 6600, page 432, of Official Records in the office of the Recorder of San Diego County, California, will sell at public auction to highest bidder for cash (payable at time of sale in lawful money of the United States) in the lobby of the main entrance of Title Insurance Building, 433 South Spring Street, Los Angeles, California, all right title and interest conveyed to and now held by it under said Deed in the property situate in said County and State described as:

All those portions of Lots 26, 27, 28 and 35 of Subdivision No. 3 of Lot 12, Rancho Ex Mission of San Diego, in the County of San Diego, State of California according to Licensed Surveyor's Map No. 63, filed in the office of the County Recorder of San Diego County, September 6, 1904, described as follows:

Beginning at the most Westerly corner of Lot 69 of Larwood Park, according to Map thereof No. 3447, filed in the office of the County Recorder of said San Diego County June 26, 1956; thence along the boundary of said Larwood Park the following courses and distances: South 47° 49' 33" East 275.76 feet; North 42° 10' 27" East 22.71 feet; South 47° 49' 33" East 331.26 feet; South 88° 26' 30" East 321.08 feet; South 1° 21' 30" West, 100 feet; North 88° 26' 30" West, 8.00 feet; South 1° 21' 30" West, 178.78 feet; thence continuing along the boundary of Larwood Park and its Westerly extension, South 87° 44' 27" West 260.22 feet; thence South 63° 08' 09" West, 105.18 feet; thence South 49° 49' 18" West, 362.00 feet; thence North 39° 58' 27" West 94.89 feet; thence South 50° 01' 33" West, 30.00 feet; thence South 39° 58' 27" East, 28.53 feet; thence South 50° 01' 33" West 30.00 feet to the beginning of a tangent curve concave Southerly having a radius of 20 feet; thence Northwesterly, Westerly and Southwesterly along the arc of said curve through a central angle of 104° 27' 33" an arc length of 36.47 feet; thence North 54° 26' 00" West, 60.00 feet; thence North 35° 34' 00" East, 10.75 feet; thence North 54° 26' 00" West, 100 feet; thence South 35° 44' 00" West, 51.22 feet; thence North 54° 26' 00" West, 160 feet; thence South 35° 34' 00" West, 31.00 feet; thence North 54° 26' 00" West 210 feet to a point on the Northwest line of said Lot 35; thence North 35° 34' 00" East along the Northwest line of said 35, 26 and 27, 834.45 feet; thence South 47° 49' 33" East, 40.27 feet to the point of beginning.

All those portions of Lots 26, 35, 36 and 45 of Subdivision No. 3 of Lot 12, Rancho Ex-Mission of San Diego, in the County of San Diego, State of California, according to Licensed Surveyor's Map No. 63, filed in the office of the County Recorder of San Diego County, September 6, 1904, described as follows:

Beginning at the Northwest corner of Lot 42 of Larwood Park, according to the Map thereof No. 3447, filed in the office of the County Recorder of said San Diego County June 26, 1956; thence South 47° 44' 27" West along the Westerly extension of the Northerly line of said Lot 42, a distance of 69.01 feet; thence South 63° 08' 09" West 105.18 feet; thence South 49° 49' 18" West, 362.00 feet; thence North 39° 58' 27" West 94.89 feet; thence South 50° 01' 33" West, 30.00 feet; thence South 39° 58' 27" East, 28.53 feet; thence South 50° 01' 33" West, 30.00 feet; thence South 39° 58' 27" East, 275.76 feet; thence South 42° 10' 27" West 22.71 feet; thence South 47° 49' 33" West 331.26 feet; thence South 88° 26' 30" West, 321.08 feet; thence South 1° 21' 30" West, 100 feet; thence North 88° 26' 30" West, 8.00 feet; thence South 1° 21' 30" West, 178.78 feet; thence continuing along the boundary of Larwood Park and its Westerly extension, South 87° 44' 27" West 260.22 feet; thence South 63° 08' 09" West, 105.18 feet; thence South 49° 49' 18" West, 362.00 feet; thence North 39° 58' 27" West 94.89 feet; thence South 50° 01' 33" West, 30.00 feet; thence South 39° 58' 27" East, 28.53 feet; thence South 50° 01' 33" West, 30.00 feet to the beginning of a tangent curve concave Southeasterly having a radius of 20.00 feet; Northeasterly along the arc of said curve through a central angle of 39° 44' 02", a distance of 13.51 feet to the Southwesterly corner of said Lot 42 of Larwood Park; thence North 10° 26' 49" West along the Westerly line thereof 103.91 feet to the point of beginning.

Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note secured by said Deed, to-wit: $75,336.77, with interest from July 22, 1957 as in said note provided, advances, if any, under the terms of said Deed, fees, charges and expenses of the Trustee and of the trusts created by said Deed.

The beneficiary under said Deed, by reason of breach or default in the obligations secured thereby, heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and written notice of breach and of election to cause the undersigned to sell said property to satisfy said obligations, and thereafter, on August 13, 1957, the undersigned caused said notice of breach and of election to be recorded in book 6715, page 231, of said official Records.

Date: July 10, 1958.
TITLE INSURANCE AND TRUST COMPANY
as said Trustee,
By C. J. TIGHE
Assistant Secretary

LG Review July 17, 24 and 31, 1958.

PUBLICITY CHAIRMAN

Recently named to the Mt. Helix PTA council as publicity chairman is Mrs. R. J. Collette, according to Mrs. Murriel Higgins, council president.

OBSERVE DATE—Mr. and Mrs. Howard C. Good, 3780 King, Lemon Grove, recently were feted by their son and daughter-in-law, Mr. and Mrs. James Good, La Mesa, on their 51st wedding anniversary. The two couples spent a three-day holiday on a Grand Canyon tour in observance of the anniversary. Good is a retired railroad man. Another son, Clyde, lives in Lemon Grove and two daughters reside in the east.

Methodists Set Meeting

Starting Sunday, the congregation of the proposed Methodist church for the Calavo Gardens area, will meet in the Spring Valley Friends Community church until further notice. Each Tuesday evening there is a Fellowship meeting in the parsonage, 9919 San Juan drive, in the Casa de Oro area. Rev. James King is pastor. His phone number is HO 3-4650.

Playhouse Sets New Drama Next

"A View From The Bridge," Arthur Miller's most recent international triumph, is scheduled next at La Jolla Playhouse, opening it two-week run July 28. It will follow the current comedy hit, "Bell, Book and Candle," starring Felicia Farr, Scott Forbes, and Darryl Hickman, which will close Saturday night.

Written by one of America's foremost playwrites, "A View From the Bridge" carries all the dramatic wallop that made such of his plays as "Death of A Salesman' a favorite as a stage play as well as a film. A suspenseful, powerful drama, it is a gripping story of the New York wa-

For his La Jolla production producer Lamont Johnson has chosen Martin Balsom, Rita Moreno, Jeff Corey, Mary Carver, Steve Joyce, and Robert Gist, with Sherman Marks directing and Zxi Geyra responsible for the sets and lighting.

LG Firemen Take Course

Top brass of the Lemon Grove fire department are undergoing a series of classes in fire administration. The course, consisting of 30 hours of training over a three weeks period, are being attended by Chiefs Hensley and Dixson and Captains Carmody and Alexander.

The classes are held in La Mesa and are sponsored by the state fire training and education department.

Tree Dieback Information Set In Book

Many home fruit growers are concerned about deciduous trees this year, according to Dan Close, University of California Farm Advisor in San Diego county.

Following very mild winters, many varieties of deciduous trees are delayed in leafing out and blossom over a prolonged period. The main limbs and branches of delayed trees become sunburned and shot-hole bettles attack the sunburned areas. Trees attacked by bettles exude a heavy gum to ward off the bettles, but weakened limbs or the entire tree may be killed.

According to reports, many trees have leafed out very well but suddenly the leaves will turn brown and drop off the tree. These reports have been from areas with shallow soil or very heavy lay subsoils. It appears that excess moisture in the soil during the long rainy season drowned out a part of the root system of many trees. The trees had enough reserve to support the initial leaf growth but not enough live roots to keep this growth alive.

Further information on these problems and how to reduce their effect may be obtained in leaflets titled "Growing Peaches," "Shot Hole Borer" and "Whitewash to Protect your Trees," available at the Farm Advisor's office, Bldg. 1, 4005 Rosecrans street, San Diego 10.

Christian Science Program On Radio

Moving Mountains will be the subject of a Christian Science program to be given on Columbia's Church of the Air, in cooperation with the Christian Science church August 3, at 7:30 a.m. over radio station KNX (1080 kc).

The speaker will be Robert Peel, chief of the editorial section, committee on publication office of the Mother Church in Boston.

The program will be presented through the facilities of the Mother Church, the First Church of Christ, Scientist, in Boston.

Dahlia Show On Saturday At Park

The 18th annual Dahlia Show sponsored by the San Diego county Dahlia society will be Saturday of this week and Sunday in the conference building, Balboa park. The show is open to all dahlia growers, members of the society and non-members.

Entry blanks may be obtained at the door on Friday, from 8 a.m.

Anyone planning to enter specimens is urged to accept the following suggestions:

If possible, cut your flowers at dusk, the night before the show. Plunge them immediately into deep, cold water and keep them there overnight. Each flower should have at least 12 inches of stem, and it must have foliage, leaves on the stem. Strip the rest of the stem of foliage before placing it in the cold water. No buds, except on arrange ments.

Bring the flowers to the show in cold water. Tall buckets or cans are best. Tie the flowers together in the cans so the heads won't pop off on the way over. Don't crush the flowers or foliage.

You'll save a lot of time if you bring the flowers to the conference building Friday night and let them "stage" right on the show tables. Someone will be on duty all night so bring your flowers and enter them early.

Other dahlia show dates planned for the near future are: Inglewood Dahlia Society, August 16-17; Orange County Dahlia Society, Santa Ana, August 23-24; Central Valley Dahlia Society, Bakersfield, host for conference show, October 4-5.

LG Sailor Takes Training Course

Glen C. Hansen, USN, son of Mrs. Clyda J. Francis of 1850 El Dora street, Lemon Grove, graduated June 27 from the Navy's advanced interior communications course at the naval training center, Great Lakes, Ill.

The 42-week course trains students in the care and operation of intricate interior communications systems aboard ships, including switchboards, telephone equipment and intercommunicating systems.

☆ Dairying's job of maintaining the tilth, health and productivity o fthe soil is unmatched by any other agricultural commodity.

☆ The cow is nature's lawnmower . . .in a single day a cow can crop a strip of grass four inches wide and a quarter of a mile long.

WATERING

Always remember to water plants well if you are going to spray them. You naturally try to select materials that will be easy on the plants, as well as ruthless on the insects. Nevertheless, the application of any spray material is bound to be something of a shock to plant life and giving the plants plenty of water before you spray them is equivalent to giving a man a good breakfast before he starts out to do a hard day's work.

And since thoroughness of application is half the battle against insects and plant diseases, be sure that you have a sprayer that gives you a good even coverage and an accurate mixture of the materials you apply. These things are just as important to success as the material you use.

FERTILIZING

Never fertilize immediately before spraying. This can be very distastrous to your plants, especially if you use a fertilizer high in nitrogen content.

SOW BUGS or "PILL BUGS"

Sow bugs or "pill bugs" become a great nuisanse and, when they are prevalent in large numbers, they can do much harm. They look like tiny covered wagons but if you touch them, they roll up into a ball or "pill." Hence the name pill bug.

There are several materials that can be sprayed over the surface of the ground to kill the sow bugs but I, personally, prefer a bait which contains all the natural foods of the sow bug, combined with a killing agent. This kind of bait, scattered about once a week in the area where sow bugs are numerous, will begin destroying them as soon as it is on the ground. But it will also continue to attract and destroy them as you water and irrigate and the bait becomes a part of the soil. So it is in reality a perpetual and long-lasting control

Sow bugs are not insects. Actually they belong to the shell fish family.

New Pastor At La Presa Takes Over

The La Presa Community church at 9045 Jamacha road has a new pastor, Mrs. Riley C. (Jessamine) Hutchins, who lives at 1725 Precinct street, La Presa.

Rev. Hutchins is an ordained minister of the Bible Way Fellowship, and a graduate of the L.I.F.E. at Los Angeles, class of 1927. She has been assigned to churches in Los Angeles, northern California and San Diego. For several years she has been teaching Bible classes in the Philippine church of San Diego, the Encanto Assembly of God and the La Presa Community church.

The new La Presa pastor has been at the church for about a month, succeeding Rev. Howard Pierce, who resigned because of ill health.

The La Presa Community church just concluded its summer Bible school, having had an average attendance of 45.

The new program for the LP. church calls for Sunday school at 9:45 a.m.; morning church services at 11 a.m. There will be no Sunday evening services for a while.

The young people meet at 6 p.m. Sunday. Wednesday evening prayer meetings are held at 7:30 p.m.

The young people's choir practice is held each Thursday evening and they sing for the Sunday school. There is no adult choir at present.

☆ Adlai E. Stevenson, Democrat presidential nominee in 1952 and 1956 and ?

"We Americans are undivided in our resolve to do our utmost in our common protection and in our search for peace."

☆ Dairymen of the nation promote their milk products through American dairy association, producer controlled an doperated.

☆ The dairying industry is the world's largest user of motor trucks.

AIR CONDITION! LIVE IN COOL COMFORT
Give your family *air conditioning* . . . for a happier and healthier home. Share all the joy of living in an indoor climate that's crisp, fresh, and invigorating.
No heat, no sticky humidity . . . just pure comfort—clean, healthful, sublimely cool. You'll find that your family's appetites are keener, dispositions are happier. And housekeeping is easier, because air conditioning helps to keep out dust, grime, and harmful pollens.
Air conditioning is surprisingly inexpensive—and yet it skyrockets the value of your home. You can choose from a wide variety of modern air conditioning systems. There's air conditioning for one room . . . and air conditioning which provides year-round climate control for your entire home.

See your air conditioning dealer or contractor and get a free "Weather Checker", including thermometer and humidity indicator.

PICTURE TALK

by Bob Vaught

IT WASN'T THE HEAT - IT WAS THE EMBARRASSMENT

The temperature went up twenty degrees when this fellow came into the store. He was spouting like Old Faithful. "I told you a month ago," he said icily, "that I was going on a vacation to some pretty rugged country."

Bob Vaught

He tapped his foot menacingly. "I ran out of film half way up a mountain. And I missed some wonderful footage of goats and rare flowers because I couldn't get close enough.

"Sorry about the film," I said, "but why couldn't you get closer to the goats and flowers?"

"I happened to be standing on top of a mountain," he said.

I want to tell you I learned a lesson from that fellow. In fact it started a new service in my place. I call it the Vacation Planning Department. To make sure you don't miss any of the shots you want on your vacation, we're ready to help you map your trip as if it were an African safari. We'll tell you what kind of a camera you should have, what it will do and how much film to take.

We'll even tell you how a telephoto lens can help you take pictures of far-off goats and flowers. That way you won't have to step off a mountain top to get the picture you want.

Women Set Barbecue

The Mt. Helix business and professional women will hold a barbecue August 6th at 7 p.m. at Eucalyptus park, La Mesa.

All women of this area that would like to join this club please call Alma Stockton, HO 6-8649 regarding reservations.

Knowland Claims Chance Is Good

Communists abroad are saying he run second in total votes in the primary election because of his opposition to Red objectives, US Sen. Bill Knowland, candidate for governor ,reported this week.

Knowland's opponent, Atty. Gen. Brown, polled 600,000 more votes at the June 3 primary; however, the Senate minority leader from California has expressed confidence he will win at the Nov. 4 general election.

NOTICE OF PUBLIC HEARING

A public hearing will be held before the Governing Board of the LEMON GROVE SCHOOL DISTRICT in Education Center, 8023 Lincoln St., Lemon Grove on August 4, 1958 at 8:00 o'clock P.M., at which time and place any taxpayers in the district may appear and offer suggestions, obtain more detailed information, participate in discussion or object to the following proposed school budget or any item thereof. Note that comparative data for the past and pending school years are presented below. School district services to meet changing community needs are reflected in the budget comparisons. The public is invited to attend the meeting.

Lemon Grove Review, July 31, 1958

ALL-STARS—These youths represented the Cajon de Oro little league in district playoffs this week. The all-stars included, in back, Manager Butch Thomas and Coaches Dick Golden and Larry Mortimeyer, from left. Back row of players, from left, are David Gibson, Thad Francis, George Garcia, Pat Connaway, Richard Papike, Mike Dell, Greg Stamper, Larry Armbrust and Mike Allen. Front row, from left, are Gary Dobbs, Tim Hohnson, Ronnie Thomas, Phil Stump, Terry Peters, Larry Mortimeyer and Garnet Pankey. (Review Photo 1099)

Unemployed Deadline Set

Thursday of this week is the deadline for filing California unemployment insurance wage reports and paying state unemployment insurance taxes for the second quarter of 1958. Hagen Christensen, Auditor in charge for the State Department of Employment in San Diego reminds employers.

Voter Registration Set Next Month

Beginning August 13 Mrs. Charlotte Phillips, deputy registrar of voters, will be at the Food King market, Camp and Bancroft, to register voters for the November 4 election. Her times at the market will be Wednesday, Thursday, Friday and Saturday, 1 to 5 p.m. If you have not registered as yet, do so immediately, says Mrs. Phillips.

SV Firemen Answer Two Brush Fires

The Spring Valley fire department had a light week, July 18-25. There were only two fires, the first being July 18, at 2:21 p.m., at 3918 North Bonita, a brush fire, the second on July 22, at 1147 Sweetwater lane, a brush fire, presumably started by a small boy playing with matches.

Square Dance News . . .

PROMENADERS

The Promenaders square dance club have made final arrangements to have a dance class to begin October 7.

Frank Dyson was club caller when the club danced July 23. Guest callers were Dale Durbin, Paul Coston, Al Rider, Dell Lake and Kip Muse. There was "live" music by the Square Notes.

Hosts and hostesses were the Bradfords, the Riders, the Sowers, Fred Mukes and Louise Berrie.

The guest list included the Valley Vagabonds, the Nomads, the Spinning Wheelers.

LEVIS & LACES

Our club is rolling with the waves
Roaming the beach, its surf and caves
Searching for fun with you in a square
At our beachcombers ball, see you there.

Levis & Laces takes this means to invite one and all to our August party dance this Saturday night at the Lemon Grove Women's club.

A refresher intermediate class will get underway for the "rusty" square dancers in the LG. area commencing September 8. The classes will be conducted by our caller, Clarence Montgomery sponsored by the Levis & Laces. Anyone interested may call Bob Vaught, HO 6-7379 for further details.

A big turn-out enjoyed our Wednesday get-together last week. Especially our charter members and past president Phil Burch who walked away with the mystery prize, a beautiful set of cuff links.

MERRY WHIRLERS

The club held its installation picnic Sunday, July 20 at El Monte park.

Over one-hundred and fifty people enjoyed games, dancing and good food thanks to the excellent planning of the picnic committee, Ed and Lila Williams, Scotty and Nancy Newmeyer, Norman and Jessie Myrer, Reider and Gina Larson, Floyd and Ramona Bryant, Fuz and An Troxel, and George and Marjorie Maddox.

George Maddox entertained the children with relay races, tugs of war, and bubble gum blowing contests.

A new board of officers was installed under the trees, as each out going officer handed his badge to his successor. Bill Neuner, out-going president, presented each of his old board members with a gift and received a gift from them.

Class members who will be graduating this month were welcomed as new members of the club.

Later in the afternoon, members and guests danced to the calling of Ron East.

It was a day filled with fun and good fellowship, and one which Merry Whirlers and their friends will long remember.

Around the World in 80 Days was the theme of the Merry Whirlers party dance last Saturday night. Members and guests were taken on a world tour by Ron East, who was assisted at the mike by Art Riding.

Travel folders and posters set the atmosphere for the tour. Each dancer represented a country and countries.

Guest clubs taking the tour with Merry Whirlers were: Promenaders, Dudes & Dolls, Rainbow Squares, Huff 'N' Puffers, Swinging Stars.

New president Ed Williams presided at the dance and presented the door prize to John Pierce. Awards were given to four lucky and raffle prize to Marge Maddox. Members of the Merry Whirlers intermediate class will graduate Monday. A party will be conducted on August 9 at Rolando school.

COUNTRY COUSINS

Country Cousins had the fourth Saturday dance July 26 at La Mesa junior high school. Nine squares participated with the calling of Ray Columbe.

Country Cousins will visit Bahia Quadrilles this week on Wednesday and will have their own dance August 2 at the La Mesa junior high school with George Vagtborg.

FRONTIER SQUARES

Hayride Dance Party was held July 26 by Frontier Squares at Jerry's Hayride in Jamul. The club met and caravaned to Jamul. Caravan was arranged by transportation chairman Harold Eberwein. Patry Nite: August 2. Theme: The Good Old Summertime. Hosting: Huff & Puffers.

Annual picnic will be held August 10th at El Monte park. Games and prizes, picnic dinner, and square dancing with "Wild Bill" Keller doing the honors at the mike.

Starting August 16 and continuing through November 1 the Frontier Squares will have a contest for the club with the largest attendance during the period. A fifty-cup automatic coffee maker will be awarded at the Aniversary Dance to be held November 1 1958.

Hearing Set For Schools

School budget hearings have been called for next week by the Lemon Grove elementary school district and the Grossmont high school district. Both are scheduled for Monday.

Lemon Grove proposes to spend $1,347,000. Grossmont has set $5,181,000 as its total.

The hearings are public and any taxpayer who wishes to question or protest any expenditure is invited to do so at the hearing time. Meetings will start at 7 p.m.

Mr. and Mrs. POP & MOM,
Lemon Grove

Our business is entertaining your children.

Many hundreds of South Bay parents where we are best known, send or bring their children to us regularly. They have learned that Sweetwater Rink is clean and decent, carefully supervised and is a proper place for their children. They have learned that the down-graded rink of yesterday is gone and has been replaced with new and built to order ideas with buildings in proper locations and that roller-skating today is the largest participating sport in America. Did you know?

Our recently inaugurated FREE BUS service for you, and for your children, is available on Saturday and Sunday afternoons. A phone call will provide the schedule.

The greatest joy of youth is rink roller-skating.

Remember?
